Добро Дојде Dobro Dojde / Welcome

Macedonian Cuisine Explained

The Authentic Macedonian Dining experience is all about sharing, so our dishes are placed at the center of the table.

Meze and a welcome drink

We usually start with a Rakia, accompanied by light vegetarian dishes (tapas style), to get the appetite started, along with a spread (Meze) of salad, cured meats, cheeses and dips.

Mains + Sides

Our Mains are served on a dish on their own, without a Side. Choose your own Side to accompany your main, or ask one of our wait staff for a suggestion.

Seasonal produce and Macedonian wines inspire the menu on offer. Many of our dishes are baked and served in handmade clay pottery imported from Macedonia. There is ample food, bottomless glasses and music from the motherland. The evening starts with a toast "Nazdravije" ("Cheers"), in Macedonian meaning; "to your health"
